STATEMENT SUMMARIZING INTERVIEW

In a telephone interview on March 1, 2007, the undersigned advised Examiner Jung that his Office Action had acted on original Claims 1 to 33, whereas a Preliminary amendment was on file that entered amendments to claims 1 to 33, and also added new Claims 34 to 66. Accordingly, the wrong set of claims was examined.

Examiner Jung agreed that the wrong set of claims had been examined, and further agreed to issue a new Office Action in which the correct claims were examined. However, he asked for filing of a written response to the pending Office Action, so as to trigger the internal USPTO computerized docketing system. This paper has therefore been filed.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

Attorney for Applicants
